The Long Table

I am a Wiradjuri woman and community Elder based in Albury and write this letter in support of The House That Dan Built's grant application to Create NSW for the Arts and Cultural Project.

I am delighted to be involved in The Long Table, which is in my opinion an important project of gathering Australian women's stories.

Danielle and Helen interviewed me last year for The Long Table, and I look forward to my continued involvement this year. I will be pleased to assist them by introducing them to other women in my community.

I wish them every continued success with The Long Table.

Yours sincerely,

AUNTY NANCY ROOKE
